Dear Fairmount Families,

I would like to thank all of you who have taken the time to respond to the BSD Family Survey/Reopening of Schools 2020-2021 and/or communicated with the school through phone or email about the start of the school year. If you haven't yet shared your preference for your child (In-School Return, Hybrid Return, or Remote Return) or your preference has changed, please call or email me as soon as possible. We need this information to complete class lists and schedules. Once classes are finalized, your teachers will be reaching out to you with more specific information.

We appreciate your patience and all that you do in support of your students. Please do not hesitate to call the school or email me with any questions or concerns.

Sincerely,

Ryan Enman
